

**Senior Project Manager**  
[blewis@augustmack.com](mailto:blewis@augustmack.com)

Brandon serves as Senior Project Manager for Closure Services in the August Mack Environmental, Inc. Lewis Center, Ohio office. He has 13 years of experience in environmental consulting/project management and is a Certified Hazardous Materials Manager (CHMM). Brandon's primary expertise lies in RCRA Corrective Action (federal and state level), CERCLA, UST closures, geological and hydrogeological investigations, soil, sediment, and groundwater sampling, vapor intrusion, data evaluation, remedial evaluation, selection, design, and construction, risk evaluation and risk assessment. He also has a wide range of experience in the areas of asbestos surveys, abatement oversight, clearance testing, Phase I ESAs, and National Pollutant Discharge Elimination System (NPDES) permitting and sampling.

### Project Experience

- Investigated numerous sites to determine the nature and extent of contamination. Contaminated media included soil, groundwater, sediment, surface water, air and building materials.
- Assessed numerous sites undergoing acquisition, divestiture or refinancing including contaminated areas, wetlands, solvents, PCBs, lead based paint, USTs, hazardous waste areas, radon, wastewater discharges, and air emissions.
- Designed, managed and implemented remediation strategies for numerous contaminated sites, including RCRA Corrective Action sites, RCRA Treatment Storage and Disposal sites, and UST sites.

### Education & Certifications

- Bachelor of Science, Franciscan University of Steubenville, Biology
- 40-Hour Hazardous Waste Site Operations (HAZWOPER) Training, OSHA
- 8-Hour Hazardous Waste Site Operations (HAZWOPER) Refresher Training, OSHA
- Certified Hazardous Materials Manager (CHMM)

### Expertise

- RCRA Corrective Action
- Geological and Hydrogeological Investigations
- Underground Storage Tank (UST) Closures
- Groundwater Monitoring
- Remedial Planning and Estimating
- Remedial Systems Operations and Maintenance
- Phase I Environmental Site Assessments (ESA) and Due Diligence Investigations
- NPDES permitting
