

Senior Compliance Manager
ahenley@augustmack.com

Anthony is a Senior Compliance Manager at in the August Mack Environmental, Inc. Indiana office. He specializes in compliance with the Clean Air Act (CAA), Resource Conservation & Recovery Act (RCRA), Spill Prevention Control & Countermeasures (SPCC), Clean Water Act (CWA), and Emergency Planning and Community Right-to-Know (EPCRA).

Project Experience:

- Prepared SPCC plans for a variety of facilities to comply with regulations.
- Conducted weekly storm water management inspections of a 30-acre construction site to demonstrate compliance with storm water and erosion control regulations. Inspections consisted of inspecting erosion control practices (silt sacks, silt fencing, hay bales, etc.), identifying deficiencies, and recommending corrective actions.
- Advised facilities on applicability to a variety of federal air regulations (e.g. NESHAP, NSPS) and assisted facilities in achieving and maintaining compliance with those regulations.
- Prepared annual and biennial hazardous waste reports for multiple industrial clients to comply with RCRA regulations.
- Conducted industrial hygiene sampling to aid facilities in complying with OSHA standards.
- Coordinated stack testing at numerous facilities to comply with permit requirements and prepared stack test reports to be submitted to the regulatory authority.

Expertise:

- Storm Water Pollution Prevention Plan (SWPPP) preparation
- SPCC preparation
- Storm Water Sampling and Reporting
- Air Permitting and Reporting
- Chemical Reporting
- Industrial Hygiene Sampling
- Tier II Reporting
- Form R Reporting
